Kindy Room

At Zig Zag Zoo we have been very busy working and learning, and joining in with challenging and exciting experiences/activities.

The older children have started their journey of learning towards going to school, this is called the focus group. They have developed a Kindy Room agreement, learning about numbers and writing their name, and they are learning about fires and what you do in a fire at this moment... Watch this space!

The Children enjoyed celebrating International Book week, with a dress up day and excursions to the library.

They have been making special cards and baking, for Mothers Day and becoming familiar with what Anzac Day means. Also exploring and creating art, celebrating Autumn and life experiences, by using different materials and tools.

By the teaching team, Rebecca, Alana, Shelley and Clare
