

Infant Room

BOOKS BOOKS BOOKS

A huge thank you to all the parents who brought along their child's favourite story book. They were great additions to mat time and the children loved hearing their stories from home being read here at the centre.

We will keep a book box on the bench over the next month. This box can be used to put books from home in, and we will continue to read them during our mat times 😊.

We have families here from all over the world and we would love to incorporate part of your culture and language into our programme. If you have any books or cd's that represent your culture or that are in different languages feel free to bring them along too.

This month we welcome Terran and Sylvia to the infant room.

Please remember to pack lots of spare clothing for your child. The children are always busy exploring and playing, so by packing spare clothing they are still able to participate fully in activities even if they get wet or messy 😊

"Excuse the mess..... the children are making memories"

Over the past month the children have enjoyed baking. They have been busy baking cakes, cookies and slice! Do you have a favourite recipe? Email it in and we will bake it with the children.

Here are a few snaps of our master chefs in the making.

The children love baking, especially taste testing the end product 😊
